WORLD BANK GROUP
USER REGISTRATION INSTRUCTIONS

NON-SMARTPHONE USERS

 | Client Connection

User Registration Instructions

1. Start Registration:

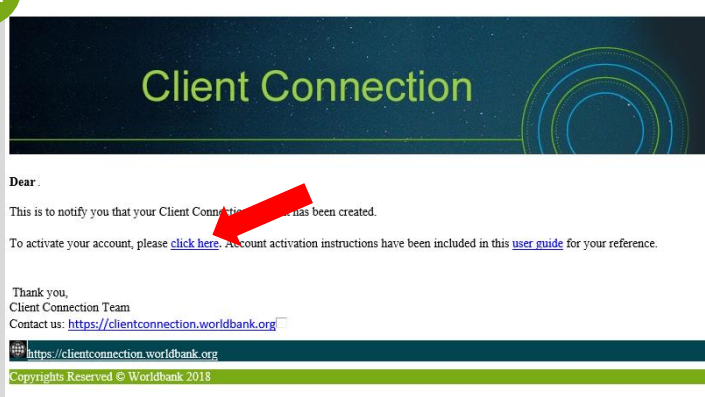

- Please open the World Bank Group personalized email sent to your registered email address. Click on the link in that email to start the process. Or,
- Click on 'Login' button on Client Connection login page.

If you have a Google or Microsoft account, you will be prompted to login with your email account password. Please do so accordingly, and proceed to step 3, detailed on the next page.

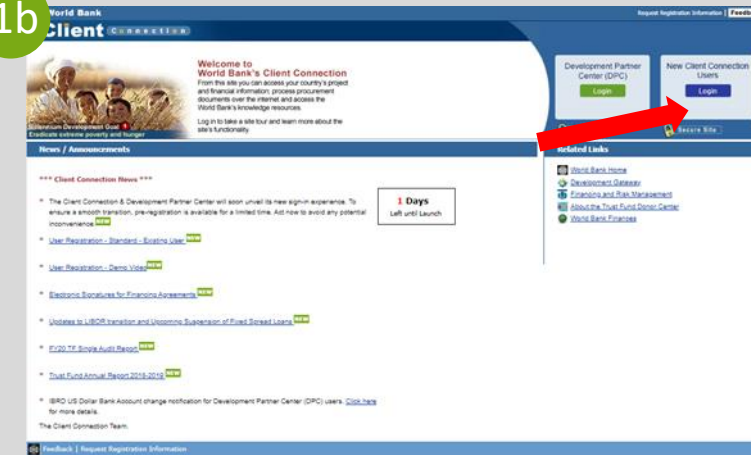

- All other accounts** will be prompted to enter your WBG-registered email address to receive an Email OTP containing a One-Time Password (code) that will be used for registration:

- Click on **Send Code** to receive the OTP via email.
- Please open the email you would have received from the World Bank Group and **copy the Account verification code**.
- Enter the 8-digit account verification code and click on **Sign in** to proceed.

User Registration Instructions

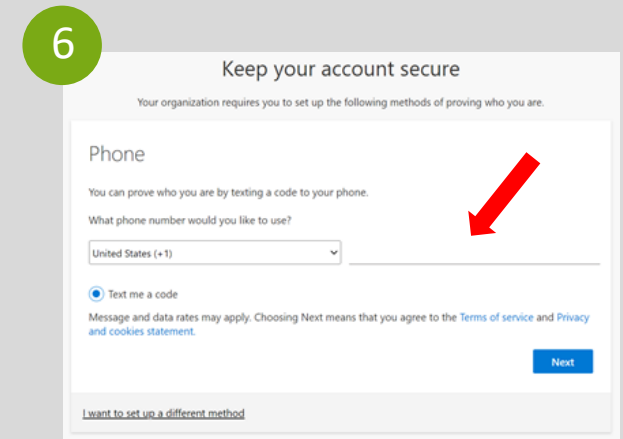

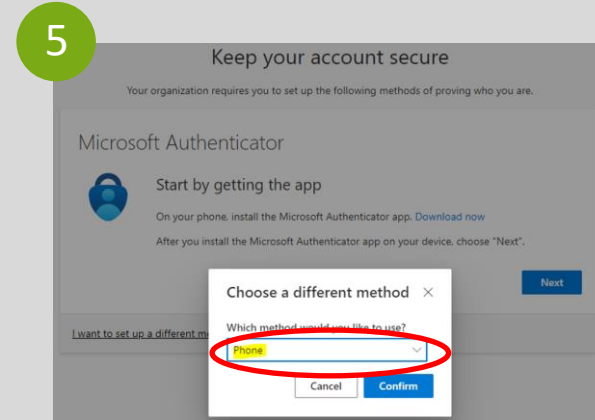

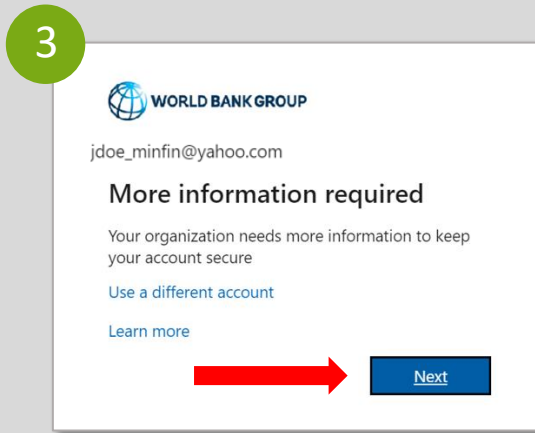

3. Click **Next** to proceed to setup SMS as your Multi-Factor Authentication (MFA) .

4. You will be prompted to set up the Authenticator App. In this screen, select “**I want to set up a different method**” on the bottom left.

5. From the drop-down menu, select **Phone** and click **Confirm**.

6. **Provide your phone number**, to be used to verify your identity when logging in to Client Connection.

User Registration Instructions

7. You will receive a 6-digit code as an SMS on your phone. **Input this code** in your browser and click **Next**.
8. You will get a notice confirming your phone number registration. Click **Next**.
9. Click **Done** at the “Success!” screen to finalize the authentication process.

Congratulations! You have successfully registered your account in Client Connection.

INSTRUCCIONES DE REGISTRO DE USUARIO

USUARIOS DE TELÉFONOS NO INTELIGENTES

| Client Connection

Instrucciones de registro de usuario

1. Iniciar registro:

a. Abra el mensaje de correo electrónico personalizado que el Grupo Banco Mundial (GBM) le envió a la dirección registrada. Haga clic en el **enlace** para comenzar el proceso.

b. Haga clic en el botón **'Login'** en la página de inicio de sesión de Client Connection.

Si tiene una cuenta de Google o Microsoft, se le pedirá que se conecte con la contraseña de su cuenta de correo electrónico. Hecho esto, prosiga con el paso 3, según se detalla en la página siguiente.

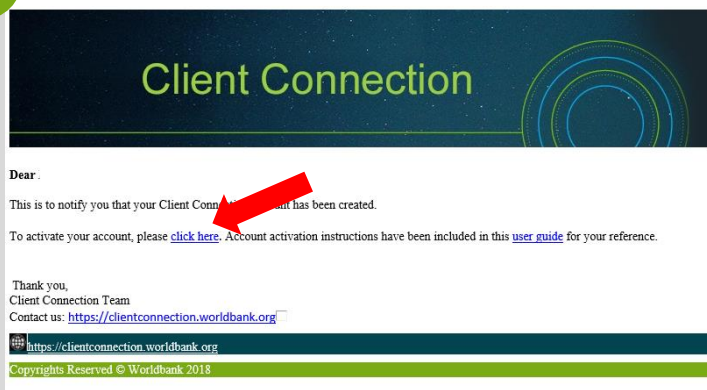

2. Para las demás cuentas, se le pedirá que indique la dirección de correo electrónico registrada en el GBM para recibir un código de verificación válido por única vez que se usará a los fines de registro:

a. Haga clic en **Send Code** (Enviar código) para recibir el código por correo electrónico.

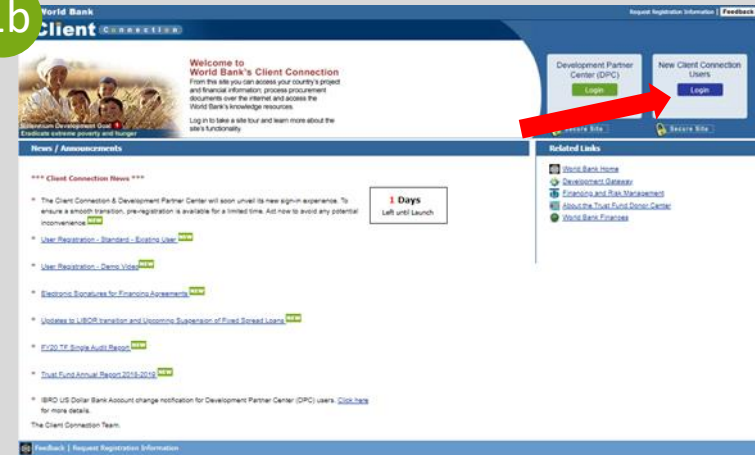

b. Abra el correo electrónico que habrá recibido del GBM y **copie el código de verificación de la cuenta**.

c. Escriba el código de verificación de 8 dígitos y haga clic en **Sign in** (Ingresar) para continuar.

1b

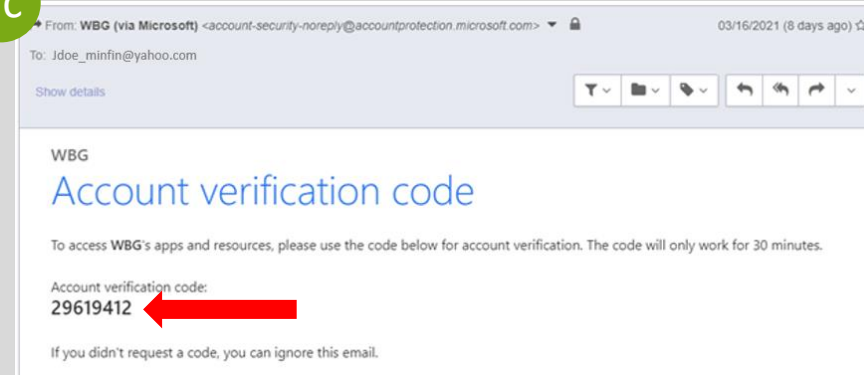

2a

2b

2c

Instrucciones de registro de usuario

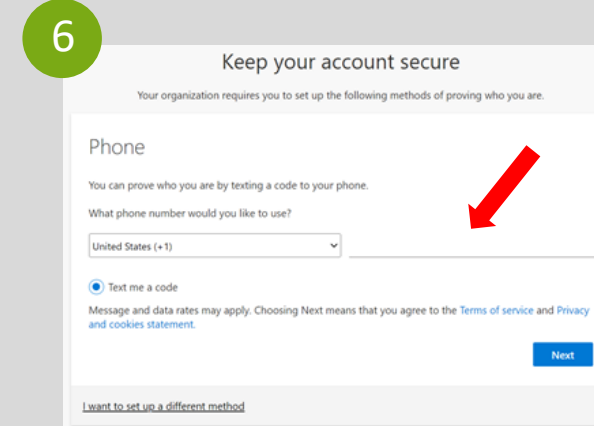

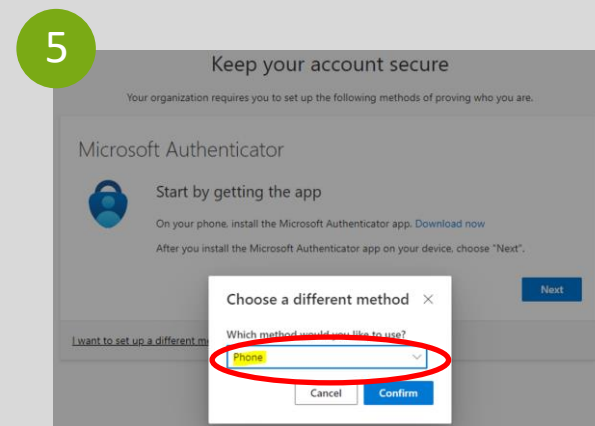

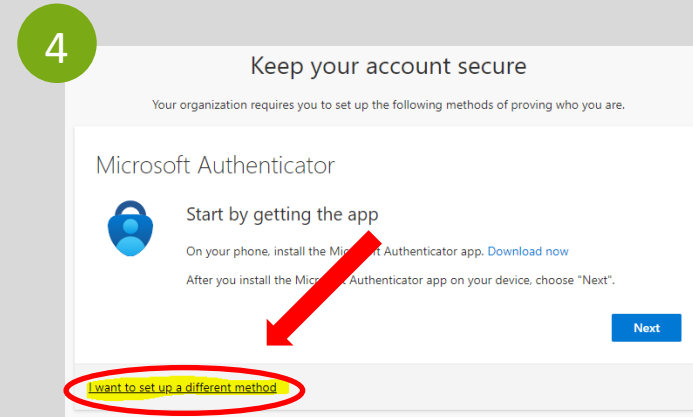

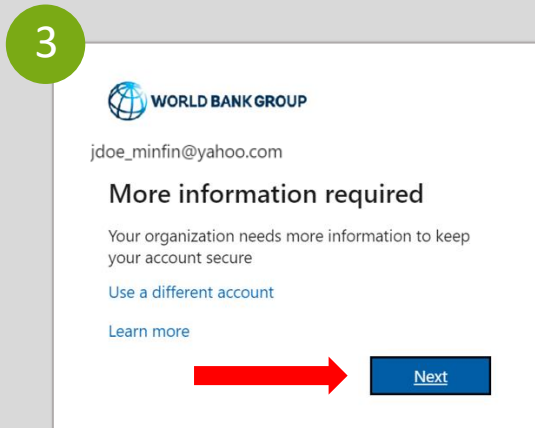

3. Haga clic en **Next** (Siguiente) para establecer el SMS como su autenticación multifactor (MFA).

4. Se le pedirá que configure la aplicación Authenticator. En esta pantalla, seleccione **“I want to set up a different method”** (Deseo configurar otro método) en la parte inferior izquierda.

5. En el menú desplegable, seleccione **Phone** (Teléfono) y haga clic en **Confirm** (Confirmar).

6. **Ingrese su número de teléfono**, de manera que puede utilizarse para verificar su identidad al conectarse a Client Connection.

Instrucciones de registro de usuario

7. Recibirá un código de 6 dígitos por SMS en su teléfono. **Ingrese este código** en el navegador y haga clic en **Next** (Siguiente).
8. Recibirá un aviso en el que se le confirmará el registro de su número de teléfono. Haga clic en **Next** (Siguiente).
9. Haga clic en **Done** (Listo) en la pantalla "Success!" (¡Proceso realizado correctamente!) para terminar el proceso de autenticación.

¡Felicitaciones! Ha completado con éxito el registro de la cuenta en Client Connection.

INSTRUÇÕES DE REGISTRO DO USUÁRIO

PARA UTILIZADORES SEM SMARTPHONE

| Client Connection

WORLD BANK GROUP
Finance & Accounting

Instruções de registro do usuário

2. Iniciar registro:

a. Por favor abra o e-mail personalizado do Grupo Banco Mundial que foi enviado para o seu endereço de e-mail registrado. Clique no **link** nesse e-mail para iniciar o processo.

b. Clique no botão **'Login'** na página de login do Client Connection.

Se tiver uma conta no Google ou Microsoft, terá que fazer login com a palavra-passe da sua conta de e-mail. Por favor, faça-o em conformidade e prossiga para o passo 3, detalhado na página seguinte.

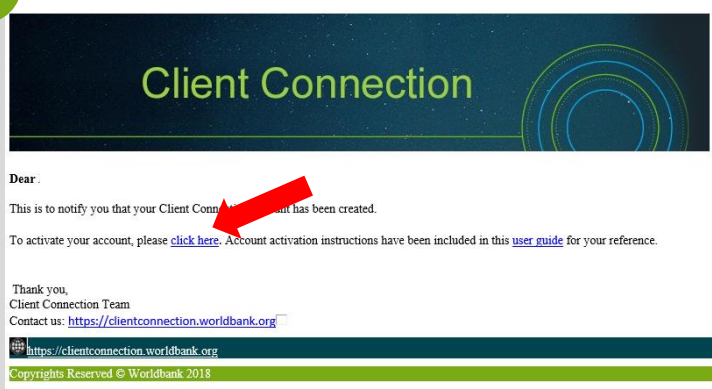

3. Será pedido a **todas as outras contas** que digitem o seu endereço de e-mail registrado no GBM para receber um **e-mail OTP** com uma palavra-passe exclusiva (código) que será utilizada para fazer o registro:

a. Clique em **Send Code** (Enviar código) para receber o OTP via e-mail.

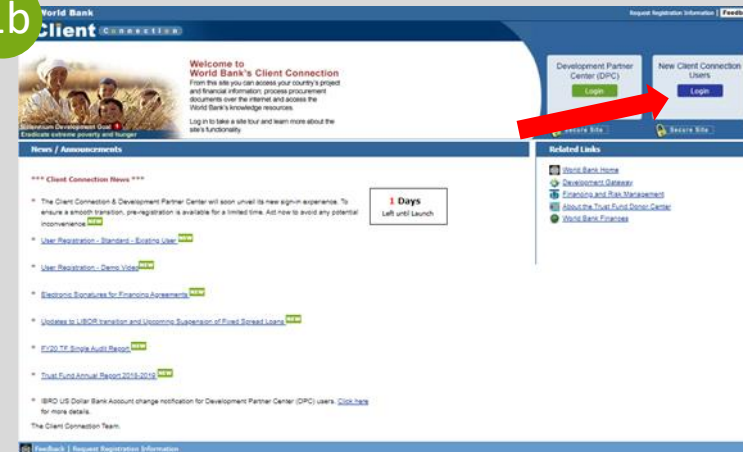

b. Por favor, abra o e-mail que recebeu do Grupo do Banco Mundial e **copie o código de verificação da conta**.

c. Insira o código de verificação da conta de 8 dígitos e clique em **Sign in** para prosseguir.
