FundsChain Overview eLearning

saba | 19 Feb 2026

FundsChain Overview eLearning

This short 20-minute self-paced elearning module introduces the purpose of FundsChain and the value it brings to clients and stakeholders across the project funds management lifecycle. It explains why the World Bank Group selected blockchain for this initiative, what blockchain means in practical terms, and how the platform strengthens transparency and trust. The elearning module concludes with a look at how FundsChain is scaling and evolving as adoption grows.

Technical Issues and Support for Participants:

If participants have any technical, sign-up or login issues they can contact olcsupport@worldbank.org.

Please do include in your email the following:

- A clear description of the issue you are facing.
- List of steps to replicate the issue.
- OS and browser with version that you are using to access the course where the issue appears; and
- Screenshot of the screen where the issue appears.

These details will help the support team resolve the issue as soon as possible. You can expect to hear back from the support team within 24 hours
